Barfront 4-240: EURO 2.160,00

Equipment variants

Worktops can be exchanged in position or for other worktop types.

Instead of the closed worktop 2-1 (Item no. xx-wt21-), the worktop 2-4 (Item no. xx-wt24-, front with cutout 235 mm deep) or the worktop 2-5 (Item no. xx-wt25-, front with cutout 325 mm deep) can be used.

A shelf (Item no. xx-zb7.8) can be placed under this worktop, for placing bottles or ice boxes (with sliding top set, Item-no. xx-zb14.2).

See images no. A.01, A.02, A.03

Instead of the worktop, the HPL Ledges 2-9 can be used (Item-no. xx-wt29-). The HPL Ledges only cover the upper frame tube.

An ice box or a glass rack (special accessories on request) can be placed on the shelf.

A bottle step display (Item-no. xx-zb1) can be placed above the shelf.

Prices:

Rack slide drawer (Item no. xx-zb5) unit á 215,- €

Shelves (Item no. xx-zb8) unit á 39,- €

glass basket (price on request)

For these modules an extensive range of worktops and accessories is available.

Prices refer to unpackaged goods, standard color white or black, excluding works and VAT.

Equipment variants

Trays create additional working and organizational levels between bartop and worktop.

The preparation or serving of the drink can be done ergonomically and within the guests view.

To expand the working area of the bartop you can either use the Bartop Extension (Item no. xx-zb31) or the Bartop Tray (Item no. xx-zb26).

Additional storage levels between the worktop and the bartop are available with the hook in tray (Item no. xx-zb25).

The worktop lamp (Item no. xx-zb33) is attached below the counter board and illuminates the worktop. One worktop lamp can be installed per 600 mm segment (Image D.03).

Image D.01: Bartop Extension á 205,- €

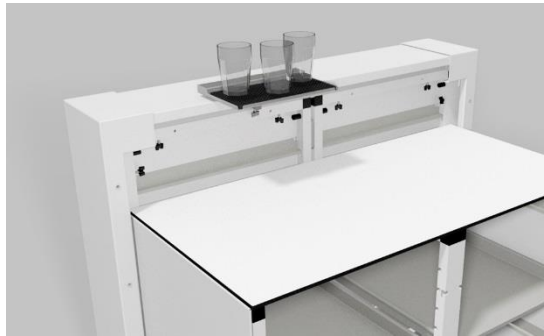

Image D.02: Bartop Tray á 155,- €

Image D.05: worktop light á 85,- €

For these modules an extensive range of work tops and accessories is available.

Prices refer to unpackaged goods, standard color white or black, excluding works and VAT.

Equipment variants

Branding space for the front panels are slid in channel rails beneath the counter board.

The standard solution for this are front banners (Item-no. xx-fb-1200) or brand signs (Item-no. xx-s1-860-wh).

The standard size for the front panel is 600 mm in order to be able to store it in a space-saving manner. As a special solution it also possible to print it on both sides and it is available in different widths.

There is the possibility to install lights beneath the counter board in order to illuminate the bar front.

LED light bars (Item-no. xx-zb23-600 and xx-zb23-900) in warm-white are available in two different lengths. The light bars are not dimmable, however, the light fixture can be turned, making it possible to adjust the light intensity in that way.

LED-RGB light bars (Item-no. xx-zb30-600, xx-zb30-1200) with adjustable colors, dimmable and with remote control are available in two different lengths.
